

Brian Mitchell
Project Manager
251-747-5447
Brian.Mitchell@bamaco.com

Brian has been involved in disaster recovery since 1996. He worked along side several other members of our staff before Bamaco was a corporation, gaining valuable experience in the debris removal industry. Today, Brian is one of our key performers in the field and a major asset to the company. Here are some of the projects he has played key roles in:
